Outreachy

Getting Started

What is Outreachy

- Aimed to encourage people from groups underrepresented in free and open source software get involved
- Run by GNOME Foundation
- Previously known as Outreach Program for Women(OPW)

Perks!

- Get comfortable with Open Source development
- Get involved with the community
- Mentoring
- 5500 USD
- Travel Grant to attend conferences(organized all over the world)
- Job offers!

Eligibility?

- Projects are only for underrepresented groups(women (cis and trans), trans men, and genderqueer people)
- Not a previous GSoC or Outreachy intern
- No age limit, no need to be student
- Projects involve coding, design, documentation, marketing
- Happens twice a year!

Thanks!

Questions?

     -- at Lecture Hall 2(3:45 to 4pm)
